

ATROCIOUS CRIME.

Negro in Virginia Shoots Man and As-
saults His Fiancee.

Washington, Oct. 1.—A posse has been scouring Alexandria county, Virginia, for a negro who waylaid and perhaps fatally shot John William Mullen, aged 21, near Rosslyn, opposite this city, and then assaulted Miss Amelia Weiss, aged 17, Mullen's fiancee, with whom he was out walking.

Without warning the negro opened fire on Mullen, shooting him through the mouth and splitting his tongue. He then dragged the girl into a thicket, holding her captive for more than an hour. As he left her, he said he was going back to her lover and finish his job.

Mullen, however, was able to make his way up the hill and tell of the crime, the girl meantime finding her way to her home, where she informed her parents.

The affair is regarded as one of the most atrocious that has occurred in this vicinity, and if the negro is found it is believed that the threats of lynching, freely indulged, will be put into effect.

JAPS LOOT ALASKAN TOWN.

Complaint Has Been Made to the U. S. Authorities.

Seattle, Wash., Oct. 1.—A report was made to United States Consul Smith, of Vancouver, Saturday by Captain Munroe, of the schooner Casco, of the pirating of an Alaskan village on Litak bay, on southwest Kodiak Island, by the crew of a Japanese sailing schooner operating in Behring sea this season. The Casco called at Litak bay for water and the Russian priests asked Captain Munroe to inform the United States authorities of the outrages.

The Japanese landed from the schooner and broke open the houses. Another report was received that the Japanese had landed on Shelikoff Island and killed cattle running on the ranges there.

Gun and Pepper Used on Officers.

Centerville, Ala., Oct. 1.—When deputies arrested Adolphus Nennet, a Hungarian, and were taking him away, his wife ran out with a gun and a handful of pepper. The former she handed to her husband and the latter she dashed into the face of the officers. Nennet then opened fire on the officers with the gun, but did not hit either of them. They were painfully hurt, however, by the pepper. Later the Hungarian was put in jail here.

TUMORS CONQUERED

Overwhelming Proof that Lydia E. Pinkham's Vegetable Compound Succeeds.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy Tumor.

The growth of a tumor is so insidious that frequently its presence is wholly unsuspected until it is well advanced.

So called "wandering pains" may come from its early stages or the presence of danger may be made manifest by excessive monthly periods accompanied by unusual pain, from the abdomen through the groin and thigh.

If you have mysterious pains, if there are indications of inflammation or displacements, secure a bottle of Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, right away and begin its use.

The following letters should convince every suffering woman of its virtue, and that it actually does conquer tumors.

Mrs. May Fry, of 836 W. Colfax Ave., South Bend, Ind., writes:

Dear Mrs. Pinkham:— "I take great pleasure in writing to thank you for what Lydia E. Pinkham's Vegetable Compound has done for me. I also took the Blood Purifier in alternate doses with the Compound. Your medicine removed a cyst tumor of four years' growth, which three of the best physicians declared I had. They had said that only an operation could help me. I am very thankful that I followed a friend's advice and took your medicine. It has made me a strong and well woman and I shall recommend it as long as I live."

Mrs. E. F. Hayes, of 26 Ruggles St., Boston, Mass., writes:

Dear Mrs. Pinkham:— "I have been under different doctors' treatment for a long time without relief. They told me I had a fibroid tumor, my abdomen was swollen and I suffered with great pain. I wrote to you for advice, you replied and I followed your directions carefully and today I am a well woman. Lydia E. Pinkham's Vegetable Compound expelled the tumor and strengthened my whole system."

Mrs. Perry Byers, of Mt. Pleasant, Iowa, writes:

Boy Drowned at Savannah, Ga. Savannah, Ga., Oct. 1.—Joseph Bazett, 14 years old, was drowned Sunday morning while in swimming with some other lads at Mell's landing. A singular circumstance connected with the drowning is that young Bazett had been rescued from the water half an hour before he was drowned. His comrades pulled him out just as he was disappearing for what would have been the last time. They took him to shore unconscious, and rolled him about until the water ran from his body. Then he recovered his senses, and after a few minutes decided he would join the boys, who had returned to their aquatic diversions. Presently he got beyond his depth again, and this time he was swept away by the tide before rescue could be effected.

15 Years for Joe Watts. Albany, Ga., Oct. 1.—In the case of the State versus Joe Watts, charged with the murder of Mrs. McDuffie, the jury brought in a verdict for manslaughter. Judge McCallie said the jury that they could not find him guilty of murder or manslaughter. The jury stood ready to acquit and was for manslaughter. Judge McCallie has given notice that he will appeal for new trial. Judge White gave him seven years in the penitentiary at hard labor.

Dear Mrs. Pinkham:—

"I was told by my physician that I had a fibroid tumor and that I would have to be operated upon. I wrote to you for advice, which I followed carefully and took Lydia E. Pinkham's Vegetable Compound. I am not only cured of the tumor but other female troubles and can do all my own work after eight years of suffering."

Mrs. S. J. Barber, of Scott, N. Y. writes:

Dear Mrs. Pinkham:— "Sometime ago I wrote you for advice about a tumor which the doctors thought would have to be removed. Instead I took Lydia E. Pinkham's Vegetable Compound and to-day am a well woman."

Mrs. M. M. Funk, Vandergrift, Pa., writes:

Dear Mrs. Pinkham:— "I had a tumor and Lydia E. Pinkham's Vegetable Compound removed it for me after two doctors had given me up. I was sick four years before I began to take the Compound. I now recommend Lydia E. Pinkham's Vegetable Compound far and near."

Such testimony as above is convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for Tumor Growths as well as other distressing ills of women, and such symptoms as Bearing-down Sensations, Displacements, Irregularities and Backache, etc. Women should remember that it is Lydia E. Pinkham's Vegetable Compound that is curing so many women. Don't forget to insist upon it when some druggist asks you to accept something else which he calls "just as good."

Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass., for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law, Lydia E. Pinkham in advising. Thus she is especially well qualified to guide sick women back to health.

Comer Criticized; He Only Laughs. Montgomery, Ala., Oct. 1.—The English of Governor Comer is severely criticized by the Montgomery Advertiser in a leading editorial. His recent letter to the members of the legislature telling them that he will call an extra session is cited as gotten up without regard to grammar and proper construction. Other letters are discussed and the paper bemoans the possession of an executive who cannot write good language. Governor Comer did not deny that the letter was bad, only laughing when shown the criticism.

HOW BONNER WON SUCCESS

The career of Robert Bonner, the veteran publisher, furnishes a signal illustration of the value of persistent and sagacious advertising. When he began the publication of the paper whose phenomenal success brought him fame and fortune, he did not wait for the people to find out, slowly and gradually, the interesting features of his journal.

He forced his enterprise upon public attention by a systematic lavishness of expenditure for advertising which at that time was without precedent or parallel. Whole pages of daily newspapers were secured at high prices to blazon forth the merits of his undertaking.

From one end of the country to the other the names of Bonner and his Ledger were made familiar to the people by constant repetition.

Conservative publishers, jogging along in the ruts of old routine, prophesied bankruptcy and ruin for this unconventional innovator, but Bonner kept on spending a large share of his receipts in buying publicity, and those receipts increased with startling rapidity.

Every dollar disbursed in this way brought in more dollars until croakers were confounded and pessimists in this particular branch of business silenced by his tremendous success.

The lesson is one that is as well worth heeding today as it was forty years ago. —Philadelphia Bulletin.
